

UNIVERSITY OF ZIELONA GÓRA

Recruitment 2026/27

WELCOME TO POLAND!

Welcome to our beautiful country which has been a homeland for prominent artists, scientists, scholars, musicians, writers and sportsmen. For sure, you have heard about such people as, for example, Mikołaj Kopernik, Maria Skłodowska-Curie, Fryderyk Chopin, Jan Matejko, Adam Mickiewicz, Jan Paweł II or Robert Lewandowski. Nowadays we are combining our national heritage and the modern world's challenges, placing importance on our multidimensional development. Study in Poland!

Poland offers many tourist attractions as well as very good quality of life and educational conditions. Our country boasts fabulous, both modern and historic cities and landscape diversity including, among others, mountains, the Baltic Sea, numerous lakes and national parks. It is here where you can experience the most appealing aura of four seasons.

Moreover, Polish national cuisine will surely impress your taste buds! Just try our dishes and start one of your best culinary travels. Pierogi, bigos, schabowy or maybe gołąbki – perhaps sound strange but certainly taste great!

Come and discover the charms and opportunities of the white and red country!

You can search for detailed tourist information at:

WESTERN POLAND IS YOUR DESTINATION

Our country consists of 16 provinces, among which is our Lubuskie province – the greenest region located in western Poland, next to the Polish-German border. The Lubuskie province is characterised by many forest, lakes, rivers and picturesque vineyards! Our province also means a rich history and beautiful, mysterious places, such as palaces, castles, manor houses, wooden churches and fortified areas. The must-do here is also tasting our local producers' food, as for instance: delicious cheeses, meats, breadstuffs, honey and juice.

Now you are very close to your host city - Zielona Góra, which is a capital of the Lubuskie province.

Zielona Góra

✓ HEAD FOR STUDENT-FRIENDLY ZIELONA GÓRA

Choose to study in Zielona Góra, one of the territorially biggest cities in Poland, which is compact and provides comfortable living conditions. In addition, our city offers many interesting ways of spending free time, i.e. a wide choice of places and events connected with entertainment, culture and sport or active recreation in the open air. The latter is possible mainly thanks to vast forests and parks, which constitute as many as circa 50% of Zielona Góra's area. Rankings confirm that Zielona Góra is one of the best Polish cities to live in.

Have a career in our city and contribute to the region's prosperity! Zielona Góra has great potential and is constantly developing. Many well-known companies thrive here and succeed not only in Poland but also in Europe and all over the world. What is important, many of such businesses have been established by the graduates of the University of Zielona Góra.

Visit historic places and get to know the history of our city which is over 800 years old! Zielona Góra is mostly famous for the few-hundred-year-old, rich winemaking traditions, the 17th-century witch trials, the development of industry from the 19th century and contemporary sports clubs and cabarets.

Scroll the Old Town and the pedestrian area, surrounded by colourful tenement houses, villas and other historic buildings, which create one of the longest pedestrian walking routes in Poland. Eat dinner and admire the cityscape among exotic plants in the Palm House Restaurant. Explore the traditions and folk culture of the region in the Ethnographic Museum and back in time, walking around Duchess Dorothea de Talleyrand-Périgord's 19th-century residence in Zatonie Ducal Park.

These are only a few places worth seeing in Zielona Góra. Find out more at: <https://visitzielonagora.pl/en>.

PUBLIC CITY TRANSPORT

The University of Zielona Góra consists of 2 campuses and a few individual buildings located in different parts of the city. In order to move between them quickly, you can use the following means of the municipal public transport: electric buses, city bikes and electric scooters.

Up to 26 years of age, you can go by city public buses for free, on the basis of a Polish student ID card (which foreign students receive after their arrival).

✓ GET TO KNOW US

We are the biggest public academic institution in the Lubuskie province. Circa 10 000 people study here. Although the University of Zielona Góra is relatively young, it is progressing dynamically. Thanks to our potential, professional staff and rich educational base, we will help you acquire qualifications of which you dream. Choose from 7 faculties and over 80 fields of study in Polish and English. Pursue a degree within first-cycle and second-cycle degree programmes, full-time or part-time ones, postgraduate programmes and graduate programmes in our doctoral schools. Take part actively in the academic community's life, enjoy the best time of your life and, with our support, prepare yourself for the bright future! We are open to people and new challenges. Best evidence of young people's confidence in us is the fact that the models you can see in the pictures are our students! They proudly represent our university and each year take part in a photo session for our campaigns.

Join us! We are waiting for you.

A couple of our assets:

- Comfortable conditions of studying,

✓ POLISH LANGUAGE COURSE AND STUDIES IN POLISH

Would you like to speak Polish? We will teach you during our Polish language course for foreigners. Thanks to our lessons, you will acquire knowledge allowing to pass a state exam and obtain a certificate. What is more, after completing our course, you will be able to study in Polish.

The course is conducted in the following levels:

- elementary level (A1 or A1 – continuation, A2 or A2 – continuation),
- advanced level (B1, B2),
- specialised level (C1, C2).

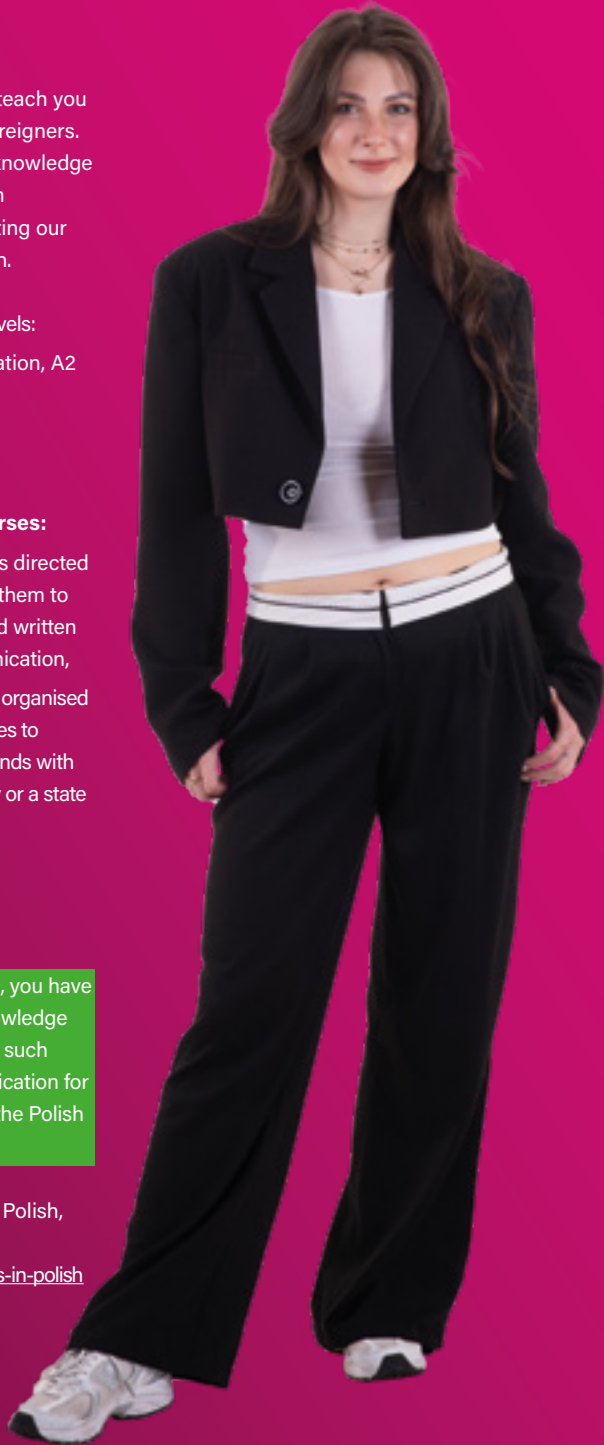

You can attend both free and paid courses:

- a free course of the Polish language is directed to all Erasmus+ students and allows them to learn basic phrases of the speech and written language useful in everyday communication,
- a paid course of the Polish language is organised when a group of foreign students wishes to take part in such lessons; this course ends with a certificate conferred by the university or a state exam of Polish as a foreign language.

The valid information is available at
www.polski.wh.uz.zgora.pl

To undertake studies conducted in Polish, you have to present a document attesting your knowledge of the Polish language. If you do not have such a document, you may still submit an application for an interview to verify your knowledge of the Polish language.

The full list of fields of study delivered in Polish, you can find at:

STUDENT EXCHANGE

WHAT IS ERASMUS+ ALL ABOUT?

Erasmus+ is the European Union programme that enables university students and employees to undertake long and short-term trips in order to study (for one or two semesters) or do internships in companies and institutions abroad. European students may apply to study at any stage of their studies: bachelor's, engineer's and master's degrees.

All the programmes of study at the University of Zielona Góra are consistent with the principles of the flexible system of education and based on the European Credit Transfer System (ECTS). Thus, our students can take part in the Erasmus+ programme, which supports EU transparency and recognition tools for skills and qualification.

Erasmus+ allows its participants to travel, make friends with people from various countries, learn about other cultures and traditions, improve their skills in foreign languages, develop professional competences, and establish international cooperation. It's a great experience bringing memories that will last a lifetime!

✓ ERASMUS+ FOR EVERYONE!

The Erasmus+ programme aims to promote equal access and social inclusion in terms of:

- disability,
- economic obstacles: people with a low standard of living, income, welfare dependent or homeless; young people who have been unemployed or poor for a long time; people in debt or suffering from financial problems,
- cultural differences: immigrants or refugees or their descendants; members of minorities.

In such cases, students are offered additional financial support (provided by the candidate's home university), regardless of the type of studies or internships.

✓ COME TO UZ FOR ERASMUS+!

How to apply for Erasmus+ at UZ? It's very simple!

1. The student's home university needs to send the so-called nomination letter, i.e. information about the student's willingness to study under Erasmus+ at our university.
2. The student has to submit to our Department of International Cooperation the following documents:
 - online Application Form,
 - Learning Agreement for Studies/for Traineeships,
 - photo in an electronic version (.jpg format, max 300kb),
 - bank account details (bank name, address, SWIFT, account number).
